

GUIDELINES FOR AUDIOLOGY LICENSURE WITHIN DHCC

An applicant for licensure to practice audiology in the DHCC must meet the following requirements in order to qualify for licensure:

Audiologist:

- Graduate from a Master's degree in audiology from an accredited educational institution college or university
- A current license, registration, or certificate to practice
- Demonstrated proof of a license from the applicant's country of education
- A certificate of good standing from each country where the applicant has held or currently holds a license to practice
- 1 yr experience in designated field
- English proficiency programs, if the language of instruction of the audiology program is not in English
- Favorable references

Audiologist Assistants:

- Completion of high school diploma or its equivalent
- Graduate from a Bachelors degree in a program with an emphasis on audiology

OR

- Speech language pathology from an accredited institution, college or university
- 1 yr experience in designated field
- English proficiency programs, if the language of instruction of the program is not in English
- Favorable references
