

## GUIDELINES FOR PHYSICAL THERAPY LICENSURE WITHIN DHCC

An applicant for licensure to practice physical therapy in the DHCC must meet the following requirements in order to qualify for licensure:

### **Physical Therapist:**

- Graduate from a Bachelor's degree program in physical therapy from an accredited educational institution, college or university
- A current license, registration, or certificate to practice
- Demonstrated proof of a license from the applicant's country of education
- A certificate of good standing from each country where the applicant has held or currently holds a license to practice
- 1 yr experience in designated field
- English proficiency programs, if the language of instruction of the physical therapy program is not in English
- Favorable references

### **Physical Therapy Assistant**

- Completion of a high school diploma
- Graduate from a 2 year physical therapy assistant program from an accredited institution, college or university
- 1 yr experience in designated field
- English proficiency programs, if the language of instruction of the physical therapy program is not in English
- Favorable references
