

## **GUIDELINES FOR SPEECH LANGUAGE PATHOLOGY LICENSURE**

An applicant for licensure to practice speech language pathology in the DHCC must meet the following requirements in order to qualify for licensure:

### **Speech Language Pathologist:**

- Graduate from a Master's program in speech language pathology from an accredited educational institution, college or university
- A current license, registration, or certificate to practice
- Demonstrated proof of a license from the applicant's country of education
- A certificate of good standing from each country where the applicant has held or currently holds a license to practice
- 1 year experience in designated field
- English proficiency programs, if the language of instruction of the speech language pathology program is not in English
- Favorable references

### **Speech Language Pathology Assistant:**

- Graduate from a Bachelors program with emphasis on speech language pathology from an accredited educational institution, college or university
- 1 year experience in a health related field
- English proficiency programs, if the language of instruction of the program is not in English
- Favorable references
