SUBJECT: TEMPORARY DRIVER SITE LICENSE FOR MOVING EQUIPMENT

As a continuous coordination between Zoning Authority and Roads & Transport Authority, please be informed that temporary driver license for moving equipments within the site / project area can be obtained from RTA. Please note that in order to obtain temporary driver site license an official letter should be **addressed to Director of Drivers Licenses Department, RTA** along with the following information:

- 1) Total number of projects in Zoning Authority's jurisdiction.
- 2) Total number of moving equipments used inside the site.
- 3) List of people who require temporary driver site license, for driving respective moving equipments.

Please note the following points:

- 1) RTA temporary driver site license is legal to drive moving equipment inside the project site and will be valid for project site only. This temporary driver site license is not valid for operating lifting equipments.
- 2) The validity of temporary driver site license is one year and can be renewed every year.
- 3) If the person leaving the company, the temporary driver site license becomes invalid.
- 4) The contracting company should provide sufficient training to proposed drivers prior to RTA test.
- 5) The contracting company should provide suitable place inside the project site for RTA to test the driver.

This is for your kind information and necessary action.

Thanking you,

For, and on behalf of
