

**C I R C U L A R – 126 (HSE)****Date:** 07 January, 2009**Ref:** ZADC/HSE/AAZ/gs-043**TO :** **ALL CONSULTANTS/ CONTRACTORS / PROJECT MANAGEMENT****SUBJECT:** **HEALTH, SAFETY AND ENVIRONMENT PASSPORT SYSTEM**

With reference to Zoning Authority Development Control's HSE Objectives for continuous improvement and achieving the construction excellence; Zoning Authority Development Control is introducing **HSE Passport system**, which will become essential requirement to get the building permit from the Zoning Authority.

The objectives of **HSE Passport system** are:

- 1) To introduce Zoning Authority HSE Regulations
- 2) To change the current safety culture from reactive to pro-active.
- 3) To introduce the best safety practices for the construction to raise the HSE awareness among all contractors and consultants.
- 4) To improve the competence, safety experience and performance of the construction team.
- 5) To reduce the construction related accidents.
- 6) To ensure the safety for all construction sites.
- 7) To avoid fine.

Working hand-in-hand with industry specialist, the following 3-tier training programmes have been developed to achieve the above objectives:

1	HSE Awareness for Senior Management	Gold card	General Managers, Project Managers and Construction Managers	1 day programme.
2	HSE Awareness for Site Management	Silver card	Site Managers, All Engineers, Safety Managers, and Safety Supervisors	5 day programme
3	HSE Awareness for Site Supervisors	Bronze card	Site Supervisors and Foremen	2 day programme

**HSE Passport system** is designed based on extensive experience & practice from the construction, which will add valuable value to you & others, therefore it is an excellent investment.
