**TO : ALL CONTRACTORS / CONSULTANTS
AND THIRD PARTY INSPECTION BODIES**

SUBJECT: THIRD PARTY LIFTING EQUIPMENT INSPECTION BODIES

With reference to above subject and further to Zoning Authority HSE Regulations, please be informed that inspection of lifting equipments used in construction sites and industry shall be carried out by third party inspection bodies who have **registered** and **accredited** by **Dubai Accreditation Centre (DAC)**.

The scope of work attached with accreditation certificate issued by **Dubai Accreditation Centre (DAC)** shall be checked before selecting the inspection body to carry out the inspection to ensure that inspection bodies **only** work as per the scope of accreditation certificate.

Please note that the major violations of inspection bodies are observed as follows:

- 1) The inspection bodies are registered but not accredited by **Dubai Accreditation Centre (DAC)**
- 2) The inspection bodies are working out of their scope of accreditation
- 3) The third party certification issued without complying with international standards and criteria for inspection.

Any complaint regarding the inspection bodies should be reported through the below mentioned website <http://www.dac.dm.ae/dac/major/home>

In case you require further information/ clarification regarding the same, please do not hesitate to contact our customer service via email on customer.care@zoningauthority.ae or you may call on **04-3900500 / 501 / 704**.

This is for your kind information and necessary action.

Thanking you,
